

About this form

This form should be used to register a new partnership for Self Assessment. It contains questions that help HMRC decide your tax return requirements.

Who should complete this form

- Partnerships
- Limited Liability Partnership (LLPs) and Limited Partnerships (LPs) who registered with Companies House **before** 25 October 2010.

LLPs and LPs **do not need to complete this form** from 25 October 2010 as they will be registered for Self Assessment from their Companies House registration.

This form must be completed by the **nominated partner**. This is the partner who has been nominated by the partnership to receive and submit the partnership returns.

How to register partners

In addition to registering the partnership, the nominated partner and each of the other partners, must register for Self Assessment and Class 2 NICs individually.

To do this they need to complete either:

- SA401 *Registering a partner for Self Assessment and Class 2 NICs – for a partner who is an individual, or*
- SA402 *Registering a partner for Self Assessment if they're not an individual – for example, the partner is a company, another partnership or trust.*

If any of the partners are already registered for Self Assessment they still need to complete the appropriate partner registration form.

Appointing an agent

To authorise an agent to act on your behalf, you can either complete form 64-8 *Authorising your agent* or ask your agent to set up an authorisation online. Please note, an agent authorisation for the partnership does not cover the partners, so you must authorise your agent to deal with your tax affairs separately. Ask your agent about online authorisation, or download form 64-8 at www.hmrc.gov.uk/findaform
